2020

DISCOVER BOOKS & GIFTS
FOR YOU AND YOUR
FAMILY. SHOP LOCAL!

A letter from the owners:

We want the holidays—whatever holidays you celebrate—to feel like a time of joy. And right now everything in the book business—from publishers and printers to warehouses and shipping services—is taking much longer than usual. That means if there's a book you'd like to give your five year old or your best friend or your dad, and it was already sold out at Thanksgiving, it may not be back in stock until 2021. If you're planning to ship books but can't get your shopping done until mid-December, your packages may not get there in time. Add to that, in order to keep our community and staff safe, we need to limit the number of people in the store at once. That might mean long lines outside our store if everyone waits until the last minute to do their holiday shopping.

So here's what we're doing to help:

First, we're gently prodding you to shop as early as possible. Make your lists and get your orders in right away—or even sooner.

Second, we've created this catalog full of fun, thoughtful, beautiful, interesting, engaging, fantastical, lively, deep, poetic, adventurous, mysterious BOOKS that we think make great gifts.

Third, we've stocked up on popular titles, signed editions, puzzles, socks, gift items, wrapping paper, card. And, if you're able to make it to the store, we've got plenty of coffee, tea, hot chocolate and pastries available at the Black Bear Cafe to help boost your energy level.

Yes, 2020 has been a year most of us would like to forget. But we're not forgetting you. The flood of support we received when we had to close our doors in March was one of the most amazing things that has ever happened to our store. Now we want to help you by giving you a heads up and a head start.

Happy Holidays, Happy Shopping, and Happy Reading!
